Dear Wah:

I am glad to know that you plan to continue with your education. Your record card shows that you dropped out 11-13-42, just about the middle of your L-9 term here. We could not give you credit for any L-9 work.

A good many boys are carrying the Army courses and getting benefit from them. Francisco will recognize the Army courses and will grant as much credit for them as we are allowed to give. If you take courses in English, Social Science, Algebra, etc. - the kind of work you would have done here - and make passing grades, we will accept them as equal to work done in our classes.

Now that you are in Kansas you are near my old stamping ground. I spent some time at Camp Funston near Ft. Riley during World War I.

Good luck to you,

Wallace M. Taylor
