

Honeymoon No. 14!

LOS ANGELES, May 26.—(INS)—Forty-five year old Beverly Nina O'Malley Avery, who began marrying when she was 16 years old, is honeymooning with her fourteenth husband today.

The latest in her long line of bridegrooms is Gabriel L. Avery, 44, a parking lot superintendent.

They were married last night by Superior Judge Burnett Wolfson, who made it clear that he viewed the ceremony with distaste. He told the bridal pair:

“The only reason I am performing this ceremony is there are no legal impediments to the marriage. You are entitled to get married if you want to, and it is one of the judge's obligations, a service to the community.”
