

# Statistics Given On Motor Traffic

CHICAGO, July 13.—(INS)—Americans drove 560,000,000,000 miles in 1954, when nineteen times as many persons were killed in motor vehicle accidents as in 1910.

But the National Safety Council said there were 123 times as many vehicles on the highways in 1954 and they traveled faster and farther.

There were 36,000 fatal accidents last year and 1,250,000 injuries.
