NUNHEAD (England). — Classes in judo and self defense will be given to movie usherettes here. The girls will be taught judo by professional wrestler, Len Law, to discourage hooliganism.

“Usherettes should know how to look after themselves,” said the wrestler. “When the word gets round that cinema employes can be tough, too, young hooligans will think twice before starting anything.”

# Highway Courtesy Pays Off Driver

CAMDEN (S. C.).—Courtesy on the highway paid off for F. B. Mobley. He noticed in his rear view mirror that an automobile wanted to pass his.

He slowed down and waved the driver behind to come ahead. As the other car passed, two pieces of paper fell out of the window. Curious, he stopped, got out and picked them up. They were two \$1 bills.
