

Health Center Site Accepted

N. San Mateo County Facility Planned

Plans for a north San Mateo County health center moved ahead last week when supervisors accepted the gift of a one acre site in South San Francisco.

County Manager E. R. Stallings was instructed to secure title and hire an architect as soon as the county planning commission has approved the site, on Mission road and Chest-

nut Street, just west of El Camino Real.

Dr. H. D. Chope, county health director, said the new building would include clinic space, conference rooms and office space for a county sanitarian. The county health fund has a \$90,000 reserve for the project.

Supervisors held up consideration of three other sites offered by Daly City for a similar health center there.
