

She'll Wed No. 14

LOS ANGELES, May 25.—(INS)—The way is clear today for Beverly Nina O'Malley, 44, the "world champion divorcee," to marry her fourteenth husband.

Mrs. O'Malley went to court yesterday to correct an error in her divorce from mate No. 13 which would not have allowed her to marry until June 4. The judge agreed, with the observation:

"On the basis of the past record, one can't have too much confidence in this latest venture, but I wish her luck and hope she will never be back in domestic relations court again. Who knows? Maybe this one will stick."

Mrs. O'Malley, who plans to marry parking lot superintendent Gabriel L. Avery, 44, commented:

"I always hope."
