

China's Stand

CAIRO (Egypt), May 7.— (AP)—Nationalist China told Egypt today she will not be held responsible for any damage to Egyptian ships or goods in Formosa Strait. The Chinese ambassador conveyed his government's position to the Foreign Ministry.

New Moth Weapon

WELLINGTON (N. Z.), May 7.— (INS) — A clothier killing moths in his store with a smoking insecticide bomb made a complete job of cleaning out the shop. A passerby noticed the smoke coming out the door and called firemen, who washed the store out using high pressure water hoses.
