

# Silent Husband To Be Divorced

SOUTH BEND (Ind.), Nov. 5.

—(AP)—Superior Court Judge E. Spencer Walton said today he will grant a divorce to Mrs. Ina M. Gillett, 52, who testified her husband lived with her in silence for eight years. Mrs. Gillett, who blamed another woman, said her husband, Walter, 55, spoke to her only once a year, inquiring about her income so he could make out income tax forms.
