

Lost Son Found In Refrigerator

DETROIT.—Missing for two hours, 4 year old Gary Patterson was found jammed between two narrow shelves when his mother opened the refrigerator to get a bottle of milk. Nine days old baby sister Linda had cried for food. This may have saved Gary's life.

The boy's disappearance had touched off a police search.

Taken to a hospital, Gary was warmed and sent home. He could not explain how he wedged himself into the narrow shelf space but he insisted, "Somebody shut the door on me."
