

Errol Flynn Home Bid In at \$1,988

LOS ANGELES, Nov. 9.—

(AP) — The Hollywood Hills mansion and estate of Actor Errol Flynn—estimated to be worth \$350,000—was auctioned for only \$1,988.62 today to satisfy a court judgment against the actor.

However, Flynn, who is now in Spain, will have a year in which to pay the \$1,988.62 and recover the property. The amount represents a \$1,500 judgment plus interest and costs.
